

ALL NEW STEEL UTILITY RACK

ALL NEW 2BRS-W

The Next Generation Steel Utility Rack is now More Durable.

- New design greatly reduces corrosion by eliminating much of the welding.
- The uprights are fully plastisol to protect against wear and reduce ladder fatigue.
- Uprights feature a number of attachment points for securing cargo straps.
- Designed to fit both GM and Ford Full size vans.
- Weather resistant cross bar is not cut to fit or perforated in any way improving longevity of the rack.
- Available in our durable black or white powder coat paint.
- Optional center bar supports shorter lengths and provides center support.
