RAM CV

P2RCV Wire Partition

Adrian Steel has the equipment you need to upfit your 2012 RAM CV. Every cargo van needs a partition to keep cargo in the cargo area, and the CV is no exception.

The P2RCV wire partition allows for maximum visibility while its tubular frame gives it the strength to keep cargo out of the passenger cab.

GRIP-LOCK LADDER RACKS FOR RAM CV

- | | |
|----------|-------------|
| 61-MVCVN | Single rack |
| 63-MVCVN | Double rack |
| 64-MVCVN | Combo rack |

Don't overlook the storage space on the roof of your RAM CV. Adrian Steel's double lock-down Grip-Lock ladder rack can transport two ladders safely from jobsite to jobsite. Add padlocks for secure storage of your ladders.

WORK READY VANS

RAM CV

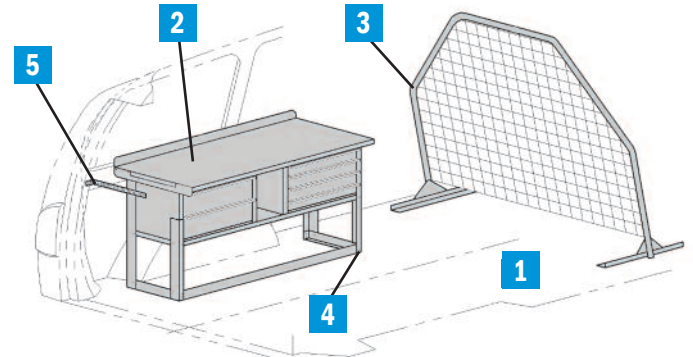

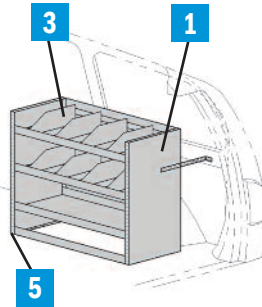

Organize your cargo with an Adrian Steel trade package specifically designed for the new RAM CV. Divided shelving, drawers for small parts and a workbench are just a few of the options. All packages include a combination of shelving, drawers, cabinets and a partition. Use these packages as starting points to customize your own package, or add a variety of accessories to the existing designs with hooks, drawer units and bins.

*Note: Adrian Steel interior cargo management solutions are not compatible with side curtain airbags.
