FINALLY!

A LADDER RACK DESIGNED AROUND YOU... NOT YOUR VEHICLE.

Introducing the All-New Drop-Down Ladder Rack from Adrian Steel!

The new, simpler design makes it easier to install and adjust. The aluminum build of the rack reduces corrosion and keeps your ladder rack looking like new. It will accomodate a variety of ladders and safely secure them for transport.

Technicians that are 5'-4" or taller can safely load and unload the ladder because of the lower, more ergonomic load and unload height. Durability testing ensures that the rack will stand the test of time and perform as it should for many years.

EXCLUSIVE!

With the turn of a knob, you can quickly adjust the rack to fit a wide variety of ladders.

INTERIOR LADDER RACKS
OUT OF THE WAY, BUT NEVER OUT OF REACH.

When you transport your ladders within the cargo area of your van, you reduce the wear and tear on the ladder, and on yourself with easy to access and operate ladder storage solutions.

ILR
LADDER HOLDER

- The Interior Ladder Rack does not take up, limit, or reduce vertical standing room in your van and it allows quick and easy access to your ladder from outside of your vehicle.
- Customers will appreciate your use of clean, well taken care of equipment rather than bringing the outside mess into their home.
- Perfect for carrying 4ft and 6ft step ladders. Works best in high roof vans and features plastic coated clamps to protect the ladder rungs during transit.

UTILITY RACK - PROMASTER STANDARD ROOF

- This all aluminum rack is designed to reduce corrosion by eliminating much of the welding.
- The uprights are fully plastisoled to protect against wear and reduce ladder fatigue.
- Uprights feature many attachment points for securing cargo straps.
- Weather resistant cross bar is not cut to fit or perforated in any way improving longevity of the rack.
- The optional Rear Roller Bar eases loading and unloading of the rack.
- Available in our durable black or white powder coat paint.
- Optional center bars support shorter lengths and provide additional support.
