

ADRIAN STEEL®

Cargo Management Solutions for Commercial Vehicles

MADE IN USA

SHELVING & ACCESSORIES

ENGINEERED AND MANUFACTURED IN ADRIAN, MICHIGAN.

Our goal is to make work safer and more efficient for vehicle operators. We achieve this by providing customized upfitting that reduces risk of injury with ergonomic products and efficient solutions.

Built for hard workers, our products are specifically designed to stand the test of time, in all climates, to provide reliable functionality for the life of the vehicle. With less than 1% quality claims annually, we take pride in providing you the best U.S. made products on the market and back it by our 3-year/36,000 mile warranty.

CAULK TUBE HOLDER

You'll know exactly where your caulk tubes are in your van with our new Caulk Tube Holders. The unique tilted hole design places caulk tubes on an outward angle making it hassle free to grab the tubes when it's time to work.

Finish: Grey Powdercoat

10 oz. tube units:

5-Slot: 14"W x 3.5"D x 8.5"H

8-Slot: 23"W x 3.5"D x 8.5"H

29 oz. tube units:

4-Slot: 14"W x 5"D x 9.5"H

7-Slot: 23"W x 5"D x 9.5"H

GAS CYLINDER/ SPRAY BOTTLE HOLDER

These dual purpose holders carry up to four 14oz/400g gas cylinders, as well as up to two spray bottles, up to 3 1/2" in diameter. This is the perfect solution for keeping your gas canisters organized. Convenient front storage tray is designed to slightly tilt all cylinders and bottles forward, making it much easier to use than traditional straight upright designs. Available in either 14" or 24" widths for convenient mounting to cargo doors, partitions and end panels.

Finish: Grey Powdercoat

Small: 14"W x 5"D x 10"H

Large: 24"W x 5"D x 10"H

INSTANT WORK TABLE

Fold down when you need it, fold up when you don't. This versatile vertical mounted workstation easily folds up and out of the way when not in use. With just a pull downward, the gas struts will lower with a smooth action to provide your instant work surface. Enjoy getting more done while taking up minimal cargo space.

Finish: Grey Powdercoat

Stowed: 7 5/8" D

Down: 18"D x 24"W worksurface

OPEN STORAGE BOX TRAY

Versatile storage box trays are ideal for storing multiple items in full view for quick, easy access. These trays come with 2 dividers, which are adjustable on 2 1/2" centers and the open top accommodates taller and larger items. These units mount on rear door panels, partitions, or shelf end panels of your van, eliminating the need to enter the vehicle. Made of high quality steel, these trays are durable and long-lasting.

Finish: Grey Powdercoat

Narrow Tray: 14"W x 5.25"D x 4.75"H.

Wide Tray: 24"W x 5.25"D x 4.75"H.

BATTERY CHARGING STATION

It seems mobile workers are 95% cordless...that means a lot of cordless batteries to deal with! With the new Adrian Steel® Battery Charging Station, you can mount your cordless charger conveniently inside your mobile work space. Skip digging for batteries and chargers with tangled wires and start each day with your batteries charged and stored in the ideal location. Mounts to any flat surface and supports most popular cordless manufacturer chargers.

Battery Holder accessory coming soon.

Save the frustrations and always have this extra 'vise' pair of hands in your mobile workshop!

23 1/2" arm provides great working clearance.

PROFESSIONAL'S FOLDING VISE

Adrian Steel's new folding vise is the professional's solution for a rock-solid vise without taking up valuable space in the vehicle's cargo area. An ergonomic design with a single gas strut allows the vise to fold down smoothly when you're ready to work. The Professional's Folding Vise is constructed with 3/16" wall structural formed steel and remains extremely robust and sturdy in the down position. When the vise is not being used, it is safely held in the upright position, taking up very little space. Product includes a high-quality D Series Snap-On® Swivel Bench Vise, with 5 1/2" width, 5" jaw opening and 3.25" throat depth for trusted functionality. The Professional's Folding Vise is built to last and is a tool you'll never want to leave behind in the future!

Available with or without Snap-On® Swivel Bench Vise.
