ADRIAN STEEL WARRANTY

Adrian Steel Company warrants its service van interiors and pick up equipment to be free from defects in material and workmanship, under normal use and service for a period of three years or 36,000 miles, whichever first occurs, after the date of delivery to the original retail purchaser, when installed by an authorized Adrian Steel Company distributor.

This warranty covers only repairs, or at the option of Adrian Steel Company, replacement to correct any defects related to materials and workmanship.

This warranty does not apply to:

Defects that are caused by the improper installation of its products, or installation not in accordance with Adrian Steel Company specifications and/or instructions.

Products, which have been subject to misuse, misapplication, negligent accident, modification or tampering.

Surface rust or corrosion that has not perforated the product.

All warranty claims must be submitted to the Adrian Steel Company Warranty Administrator. The vehicle must be delivered to the installer of the product, or another company designated by the installer of the product, for inspection and any warranty service. Warranty claims or products of manufacturers other than Adrian Steel Company may be covered by a separate warranty, but are not covered by this limited warranty. Adrian Steel Company reserves the sole right to inspect its products and or installations and decide the best way to handle any and all claims. Adrian Steel Company or an authorized Adrian Steel Company distributor must make all warranty repairs.

ADRIAN STEEL CUSTOMER CARE

Adrian Steel truly stands by the quality of both our products and installation. Customer satisfaction is very important to us.

If you have any problems with your van, please contact Adrian Steel Company at 800.677.2726 and ask for the Customer Care Department. You can also send an email to customercare@adriansteel.com.
